

Sept. 12, 1939.

Dear Sir:

I want to send out the Treasurer's statement Sept. 15th with the accounts complete for the year 1939.

I would appreciate having you send me at once the amounts you have paid for booking fees this season, I will then be able to request the League's share from the Agents.

Please send me also any amounts you have advanced Umpires since the last Accounting.

Kindly take care of this at once, so I can close the Treasurer's books.

Also please send your approval of \$50.00 for Treasurer's expenses, \$25.00 for Mrs. Jacobs, my Secretary and \$25.00 for stationery, stamps, etc. This is the total amount for expenses for this office for 1939.

Very truly yours,
